

Safety & Environment Moment (S&E Moment)

Script 01 – Introduction

Hello lovely people of Ghana and across the world, good morning to you all. I have the pleasure to introduce to you the most informed and educative Safety and Environment Awareness and Education Program in Ghana called the “Safety & Environment Moment”, also known as the “S&E Moment”.

The program is produced by Safeenvironment Education Foundation (SEEF), an NGO and MBA Consult Limited, one of the leading Safety and Environment Firms in Ghana and powered by Uniiq FM 95.7 MHZ. The program airs on the Uniiq Breakfast Drive Monday – Friday after the 7:00am news bulletin.

S&E Moment is designed to create awareness and educate the public on safety and environment issues thereby improving the understanding and appreciation of the public on safety and environment protection with the goal to improving the safety and environment culture in Ghana. Institutions and businesses can use the messages to teach/educate their employees.

The messages can be accessed on the website of SEEF which is www.seefgh.org. You can also call us on toll free number **0800-299-299 or 0303 302512 or 0207 319 653** if you wish to discuss any of the messages or share an experience. This informed and educative program is what you should expect from now onwards.

Remember we are not completely out of the COVID-19 Pandemic. Wash your hands with soap under running water, always use alcohol-based sanitizers, do not shake hands, wear protective mask and keep a 2-meter distance between yourself and the next person among the other protocols. Visit the Ghana Health Service COVID-19 website for further information.

Have a lovely day and stay safe, bye.
